

## Koensrust Directions

As you book you will have to enter a cell number for us to authorise you to operate the electric farm gate for the duration of your stay.

“Koensrust Beach Shack” is on both google maps and apple maps.

It is 310km from Cape Town and normally takes between 3.5 and 4 hours along the N2.

You will be sent more detailed directions to find each of the houses once you have made your booking.
